There is no limitation of teams per national Association for the Europe Cup.

Teams seeded 17-24 can participate in the Champions League but not mandatory i.e. they are not obliged to compete in Champions League group stage 1 and may directly start at Europe Cup group stage 1 or at Europe Trophy (each team seeded 17-24 can decide if start in Champions League or Europe Cup or at Europe Trophy).

If one or more teams seeded 17-24 will not start in the Champions League but in Europe Cup or at Europe Trophy, the next seeded team(s) may take the last positions in Champions League but the total number of teams for the Champions League and Europe Cup together cannot exceed 40.

- These clubs will be seeded in the last position(s) of the Europe Cup and start in Europe Cup group stage 1.
- In case more than 4 clubs ask for a wild card and meet all directive criteria, the clubs with the highest total points of their 3 highest ranked players in the most recent World Rankings will have priority.
- If free spots remain in the Europe Cup after attribution of the 4 Wild Cards and the confirmation of the seeded teams from the ECC ranking, ETTU may allocate further wild cards in order to complete the Europe Cup until the maximum participation is reached.
- Deadline for a Wild Card application: **05.09.2024 midnight**.

- 2.8 After release of the final seeding list, after the teams registration deadline, clubs have a 24 hours exit possibility. The clubs and the National Association of the clubs have to notify

ETTU about their withdrawal by email. A cancellation fee of two hundred (200) € has to be paid to the ETTU bank account. All withdrawals after the exit possibility will be fined up to five thousand (5.000) €.

3 COMPOSITIONS OF TEAMS AND ELIGIBILITY

- 3.1 Only nominated players are entitled to represent their club/team. After deadline for player registration, no additional player can be accepted for a club/team.
A club/team shall nominate via their National Association 6 – 12 players.
- 3.2 A club/team can register via their National Association up to 3 non-European* players. In a team match up to 1 non-European* player is entitled to play but either the second or the third non-European* player, if given, can be only nominated as “reserve player” for replacing the other non-European* player.
In case none of the players 1-3 is a non-European* player, the non-European* player being a reserve player may replace either player 1 or player 2.
Up to 2 reserve players per team (including up to 1 non-European* player) can be registered whereof each may replace only one player (either player 1 or player 2) after the second individual match.
- 3.3. To define player nationality, ETTU will use the nationality as provided by the players' passports.
- 3.4. In case a player starts the competition as a non-European* player and his nationality changes during the playing season he shall nonetheless continue to be considered as a non-European* player up to the end of the current playing season.
- 3.5 A player shall compete only for one team, participating in ETTU club competitions, in the period starting the day before the first round of the competition until the day after the last match in the competition.
That means a player may be registered for more than 1 team, in 1 or more Associations, participating in ETTU Club Competitions but the player shall only be registered for ETTU Club Competitions with 1 team.
The responsibility for player participation in competitions other than the ETTU Club Competitions remains with the National Associations and the clubs themselves.
- 3.6 A player having signed with a club to play ECCM and refuses to play for that club in ECCM can be suspended for the following ECCM season(s) by ETTU.
- 3.7 In order to be eligible to compete in the semi-finals and finals, a player shall have at least 2 participations at team matches in the period before (group stages until quarter

finals included) i.e. at least participated or having been present in the venue at least at 2 team matches in total. No exception can be made. This eligibility directive also counts for Champions League teams relegated to the Europe Cup.

A player's presence is only counted if the player is confirmed on the official team line-up sheet (A/B sheet) by the Referee or umpire on duty. On that team line-up sheet all players present in the playing venue before the match starts can be added. Team captains are responsible to check if their players present are written on the team line-up sheet while signing it. No later request will be accepted.

* A non-European player is a player with a nationality outside ETTU member Associations' countries.

4. PLAYING FORMAT

- 4.1 The teams seeded 25-40 from the ECC seeding list will play a 1st group stage round with 4 groups of up to 4 teams.
The 4 groups will be played by single round-robin during 2-3 days at 1 location or alternatively at more locations. The teams may apply to host a group on or before the registration deadline and host of each group will be confirmed by ETTU, at ETTU's discretion.
The group stage 1, 3^{rds} and 4^{ths} are relegated to the Europe Trophy.
- 4.2 The 4 groups stage 1 winners and runners-up proceed to the second group stage together with the 8 Champions League teams from their group stage 1 (3^{rds} and 4^{ths}) and will play in 4 groups of 4 teams.
- 4.3 The 4 groups in stage 2 will be played by single round-robin during 2-3 days at 1 location or alternatively at more locations.
The 4 groups stage 2 winners and the 4 groups stage 2 runners-up continue to the 1/8 finals together with the 8 CL 1/8 finals losers.
- 4.4. 1/8 finals will be played by home and away matches (double round robin).
1/8 finals winners proceed to the quarter finals.
- 4.5 The quarter finals, semi finals and finals will be played by home and away matches (double round robin).
- 4.6 The order of play in the group stages:
Round 1 4v2, 3v1
Round 2 1v4, 2v3
Round 3 3v4, 1v2
In case of 1 table (per group), 1v2 shall be the last match played.
For the group matches, a draw will be made by the Referee/umpire 60 minutes prior each team match to define which team is team A and which team is team B. Starting with the 3rd round, the home team will be always considered as the team A, and the away team will be team B.
- 4.7 In a group, 2 match points shall be awarded for a win, 1 for a loss and 0 for a loss in a not played or unfinished match, and the ranking order shall be determined primarily by the numbers of match points gained.
- 4.8 If 2 or more teams have gained the same number of match points, their relative positions shall be determined by the results only of matches between them, taking successively the numbers of match points, then the ratio of wins to losses in individual matches, then the ratio of wins to losses in games and then the ratio of wins to losses in points, as far as it is necessary to determine the ranking order.
- 4.9 If after any step the positions of one or more teams have been determined while others are

still equal, the results of matches in which those teams took part shall be excluded from any further calculations needed to resolve the equalities in accordance with the procedure of 4.7 and 4.8.

4.10 If 2 or more teams have gained the same number of match points and have the same ratios of wins to losses in individual matches, games and points, their relative positions shall be decided by lot. The Referee shall do the draw by lot after the end of the team matches with at least the team captains present and inform the ETTU without delay.

4.11 In the final stage (starting with Round 3), each tie will be played in 2 legs, home and away. The home right for the first leg of Round 3 will be given to the 2nd ranked teams of the groups, for the quarter-final, semi-final and final matches the home right for the first leg will be given to the lower ranked team of the seeding list.

The knock-out competition method (starting with Round 3) consists of 2 clubs playing each other where the loser is immediately eliminated from winning the Europe Cup and the winner qualifies to the next round. The 2 clubs play 1 two-legged match - also called "Home and Away" match.

In a "Home and Away" match, the winner is the club with more allocated points than the other one.

Allocation of points is as follows:

- a. 3 points for the winner of a 3:0 or 3:1 match,
- b. 2 points for the winner of a 3:2 match,
- c. 1 point for the loser of a 2:3 match,
- d. 0 points for the loser of a 0:3, 1:3 or a walk over match

In a "Home and Away" match, there is a tie between the 2 clubs when each club has the same number of allocated points. In case of a tie, the Golden Match procedure is used. The Golden Match will be started 10 minutes after the away match (2nd leg) is over. The Golden Match consists of up to 3 games (sets), best of 3. The club winning 2 games (sets) is the winner.

The team captains chose for the Golden Match each 3 players who are according to the directives eligible to play and chose for each player the position 1, 2 and 3. The team captains have to provide their line up for the Golden Match to the Referee within 3 minutes after the regular away match (2nd leg) is over.

There shall be no time out at the Golden Match and no change of ends during a Golden Match game (set).

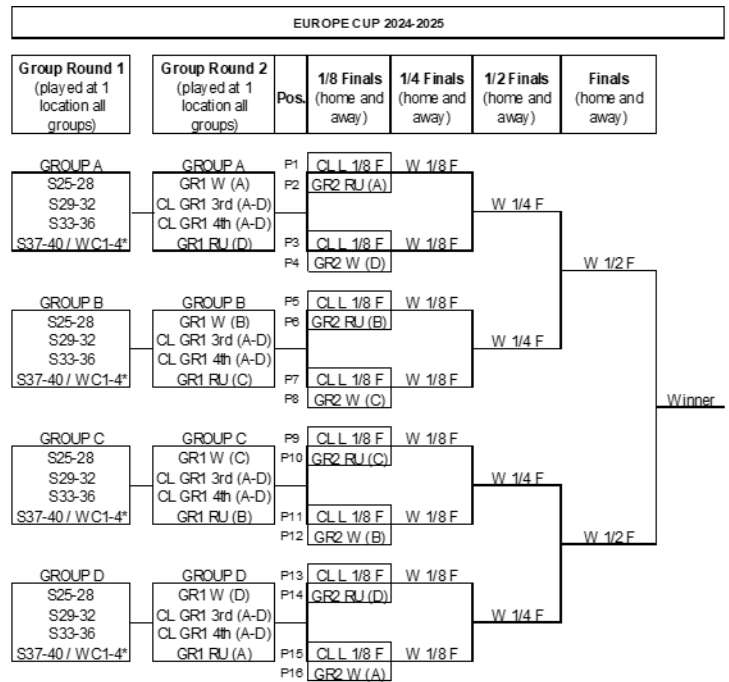

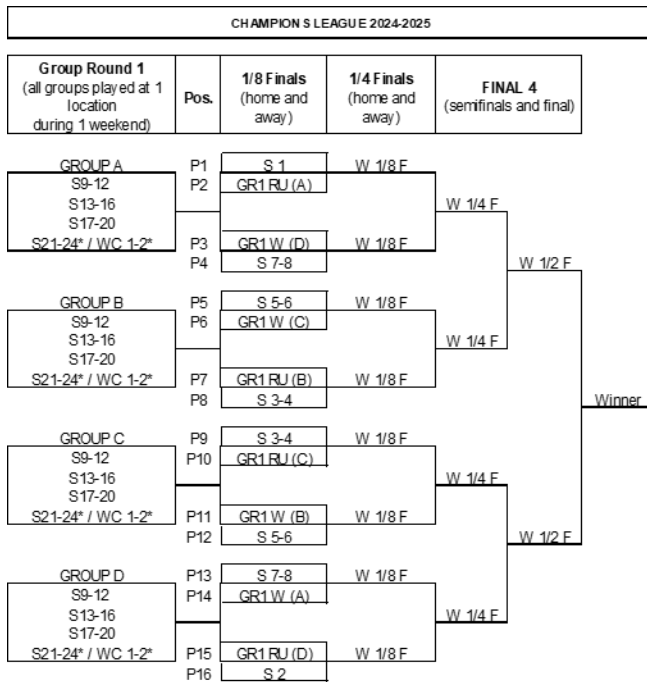

Regarding the rules concerning discipline (advice, misbehaviour and good presentation) the Golden Match is seen as a continuation of the previous team match.

The order of play in a Golden Match shall be A1 v B1, A2 v B2, A3 v B3. The Golden Match is over once one club has won 2 games (sets).

Team matches in the group stages shall end when a team has won 3 individual matches. Team matches starting with the KO rounds shall end once the winner of that round is defined. If the round's winner is already defined before a team has won 3

individual matches (of the second leg), playing the following match(es) is optional and at discretion to the 2 clubs. There will be no ETTU Ranking points applied for an individual match played once the winning team of that round is defined.

5. **PLAYING SYSTEM**

5.1 The playing system shall be the New Swaythling Cup system (best of 5 singles) and in each individual match, the 5th game (set) shall start at 0:0 and play until the first player reaches 6 points (sudden death point at 5:5). In the 5th game (set) each player shall serve only once in a row and there will be no change of ends in the 5th game (set).

5.2 A team shall consist of up to 5 players selected from those nominated by the team's club for the event.

It is recommended that a team always arrives at a match with at least 4 eligible players to reduce the risk of walk overs in case player(s) get ill/injured shortly before the match start. When walk overs could have been avoided by the participation of the club's reserve player, the club may be fined by the Club Competition Official.

This recommendation is based on a requirement for fair play towards the Europe Cup, the opponent club, spectators, media and the Table Tennis sport.

A team will lose by walk over (WO) in case the team has less than 2 players ready to play.

5.3 All individual matches (singles) of a same team match shall be played on the same table.

5.4 The home team is considered to be composed by the players A1, A2, A3 and the visiting team is considered to be composed by the players B1, B2, B3.

In the group stages (played at 1 location) a draw will be made by the Referee or umpire on duty in order to define which team is A and B.

The order of play in a team match shall be A1 v B2, A2 v B1, A3 v B3, A1 v B1, A2 v B2, and the match shall end when a team has won 3 singles, each the best of 5 games.

After the second single in a team match, player No. 4 or No. 5 of the team may replace player A1 or A2 (for the home team) respectively player B1 or B2 (for the away team).

In a team match up to 1 non-European* player is entitled to play but either the second or the third non-European* player, if given, can be only nominated as "reserve player" for replacing the other non-European* player. In case none of the players 1-3 is a non-European* player, the non-European* player being a reserve player may replace either player 1 or player 2.

Up to 2 reserve players per team (including up to 1 non-European* player) can be registered whereof each may replace only one player (either player 1 or player 2) after the second individual match.

Such player substitution must be announced by the respective team captain to the Referee at the latest before the start of the third single.

5.5 Intervals between individual matches shall not exceed 1 minute except for the interval after the second individual match, where maximum a 15-minute break is accepted. For the group stage matches, there shall be no delay, only if written acceptance by ETTU.

The home team shall inform the visiting team, ETTU and the Referee 1 week prior the match about the interval planned after the second individual match.

At each time-out and between each game, the umpire shall place the Time-Out-Clock on the table in the main camera direction (if available).

5.6 **MULTI BALLS AND BALL BOYS AND GIRLS (BBGs)**

Mandatory starting from the quarter finals:

The host club has to put on disposal before the match starts 40 balls and the 2 team captains shall choose 30 balls (15 balls each).

In each match 30 balls shall be kept by the umpire who will provide after each point a new ball to the serving player, in case the ball used from the previous rally is not in imminent reach of 1 of the 2 players. Balls remaining in the Field of Play (FoP) will be collected after each rally by ball boys/girls (BBGs) organised by the home club. 2 BBGs shall sit behind the corner board (1 on each long side, places marked "x" on below diagram). BBGs watch the playing field and collect the balls from the floor, and then run back to their zones. BBGs collecting balls should only move in designated areas (marked "→" on below diagram). BBGs have to return the balls to the umpire after each game, during time outs and when the umpire runs out of balls.

Delivery of the balls to the umpire may occur at any time after a distinct signal from the umpire to the BBGs.

Balls leaving the FoP will not be collected during a game.

BBGs move only according to "→" on below diagram to hand over the balls to the umpire.

BBGs shall be dressed in sportswear, preferably similar clothing.

There is no age limit for BBGs, however BBGs shall be mentally and physically able to be fully concentrated and collect balls quickly.

BBGs shall behave and act neutral.

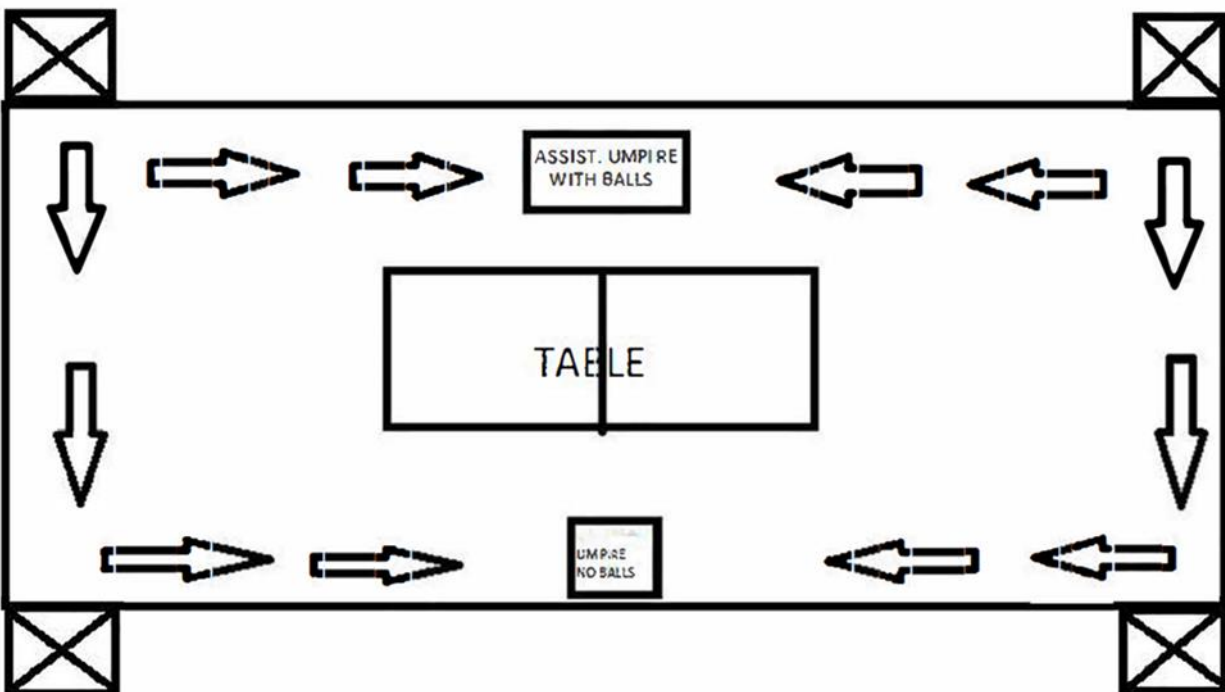

Before the service, players receive the balls from the assistant umpire.

After the rally, players do not collect the balls from the FoP, they continue the game, unless the rally ends in imminent reach of 1 of the 2 players, players can reuse that ball for the next rally.

There shall be 1 chair in each of the x marked boxes so that BBGs do not disrupt the matches.

Up to 10 seconds after the previous rally finished, except for towelling after every 6 points from the start of each game, the serving player has to start the next rally and the receiver has to be ready as well.
